We pleage our allegiance to the Arizona Constitution as ratified the p-ople of Arizona

We denounce the action of President Taft in dictating to free people the laws under which they should live and compelling Arizona to eliminate the recall of the judiciary from its Constitution

We denounce the un-representative course of Delegate Cameron in aiding and abetting the enemies of Arizona and the Arizona Constitution; his misrepresentation of the wishes of the people of Arizons, and his action in bringing about the disfranchisement by the enabling act of one-fourth of the voters in the first state election.

We'denounce the action of the stand-pat element which have been, and see row in control of the republican party of Arizona for their continued and determined opposition to the progressive ideas incor-, porated in the Arizona Constitution.

Temporary Elimination of Judiciary Recall

Forced by the coercion of President Taft, we are obliged reluctanty to submit to the temporary elimination of the recall of the judiciary from the Constitution on Dec. 12th, by voting for the amendment presented by Congress; but we pleage our candidates for the legislature, that, as their earliest possible act they shall pass an amendment restoring the recall of the judiciary to the Constitution and submit this amendment to the people at the earliest possible time. We declare for a state-wide direct primary election of delegates to the national party conventions at which primary elections the voters may express their choice of Presidential nominees. We further declare for the election of the President by direct popular vote.

We pledge our candidates for the United States Senate and for during and for each of the years Congress to do their utmost to obtain relief for the irrigated sections Beginning at for No 1 whomes US F.M No 1906, 1907, 1908, 1909 and 1910, in Arizona on the payments due under the Reclamation Act.
